Breakdown of Services

Beauty Trends

The Beauty Trend Report brings you the data, forthcoming trends of next year and market share on each beauty category that will help you make the right decisions to stay a step ahead of your competition.

Our content will not only inform, inspire and visualize but also awaken your mind to think differently about the rapid changes in the beauty industry.

Consumer Insights

Every month we launch Beauty Questionnaires with a variety of beauty product giveaways which consumers can compete to win by answering personal questions about their beauty routines, lifestyle, habits, interests, etc. The feedback we receive is analyzed by our beauty data experts, but only shared with Beauty Source's brand customers after being anonymized.

Monthly Beauty Launches

Our reports on Monthly Beauty Launches keeps you up to date on what is 'Really happening' in the beauty business. Divided in three main categories: Makeup, Skincare and Perfumery.
